

U14 Weekly Update April 17th

With the biggest event of the season behind us, we can now reflect on the season. I look forward to hearing about our athletes' season highlights next week. Thank you to all parents for your support and volunteer efforts during Whistler Cup. Congratulations to all athletes for some strong performances!

We are working on a team hoodie design, so stay tuned for more details as we announce the order process for this.

Equipment Guidelines

As you start thinking of equipment for next season, please use the following guiding documents:

- [U14 Equipment Guidelines](#)
- [U16 Equipment Guidelines](#)

If you are unsure, please contact us with your athlete's current ski length and boot flex, and your equipment questions. If you are interested in demo, please contact us and we will see what is available with the local reps.

Athletes' Videos **action**

Click Here for [U14 Videos](#).

This platform isn't going anywhere, but we encourage athletes to download a few of their favourite videos from the season. This is something they can use as a learning tool for next year, or as season memories when they look back at their ski racing careers.
