

Nancy Greene – Nat Bosa

Nancy Greene played an instrumental role in starting the Blackcomb Ski and Snowboard Club (which merged into WMSC) and in supporting the Canadian junior skier development program. Nancy has continued to be a great supporter of ski racing in Canada over the years. Nat Bosa and his companies have provided the Whistler Mountain Ski Club and the Blackcomb Ski and Snowboard Club with financial assistance for the construction of both ski cabins and have continued to support WMSC and our athletes over the years.

To recognize the tremendous contributions of Nancy and Nat in support of ski racing in Whistler the Whistler Mountain Ski Club created the Nancy Greene/Nat Bosa Bursary. These funds are intended to contribute towards coaching fees, travel expenses, equipment costs and other expenses related to the development of our ski racers. To qualify an athlete must be active in a Club program (U18/U21, U16, U14, U12), BC Team or National Team. The Board of Directors has appointed a committee to administer the Bursary, and athletes should submit their requests, in confidence, to the committee by the end of January. Awards are announced in February and funds applied to the recipient's racer account. Award criteria include perceived financial need, program costs, the athlete's character and skill level, and parental volunteerism.

Thank you for your interest in applying for the bursary. All information will be kept confidential.
